"We are still basking in the glow! Your contribution to the success of our conference was magnificent!"

- Stanley S. Gryskiewicz
Center for Creative Leadership
International Creativity & Innovation Networking Conference

"The arts and banking? The arts and productivity? At first, an unlikely match, but innovation is like that, isn't it? This learning has proven to be learning worth banking on!"

- James Rush
Institute For Learning
Bank of Montreal

Clients we have served

American Institute of Architects
Citibank

Pfizer
PNC Bank
The White House Reinvention Revolution

"You touched my heart and inner thoughts AND you inspire!"

"I felt energized with the want to GO and DO something!"

"We all felt a sense of harmony - linking together the known and the unknown. To me it was the very meaning of diversity."

"We complain that we don't have the tools to do our job - But we really DO have more tools inside us and they are deeper resources than the computer, the fax and the photocopier."
